

**REMARKS**

The outstanding Office Action indicates that a new Reissue Declaration is required and which more clearly sets forth an error. Therefore, a new Reissue Declaration is submitted herewith to address the concerns in the Office Action.

The Office Action indicates that the previously submitted Reissue Declaration gives the corporate address and not the home address of each individual inventor. However, it is respectfully submitted that it is sufficient to list the corporate address as the post office address for each inventor, and that only the inventor residence (such as Kawasaki, Japan) is required for each inventor. See MPEP 605.03. It is respectfully submitted that the new Reissue Declaration satisfies these requirements by listing the residence (Kawasaki, Japan) of each inventor.

In view of the above, it is respectfully submitted that this Response is fully responsive to the outstanding Office Action, and that the application is now in condition for allowance.

If any further fees are required in connection with the filing of this Response, please charge the fees to our Deposit Account No. 19-3935.

Respectfully submitted,

STAAS & HALSEY LLP
